

# Pilot Ranks

As a New Hire with Pacific Airways, your First Rank will be a First Officer. The ranking system is based on hours flown and Experience Points. For promotions, see the chart below:

Rank	Hours
<b>First officer - GA Certified</b>	<b>0-19 No XP</b>
<b>Captain</b>	<b>20hrs + 50XP</b>
<b>ATP First Officer</b>	<b>40hrs + 150XP</b>
<b>ATP Captain</b>	<b>80hrs + 300XP</b>
<b>ATP Senior Captain</b>	<b>300hrs + 500XP</b>
<b>ATP Commander</b>	<b>600 hrs + 750XP</b>
<b>ATP Senior Commander - Elite Pilot</b>	<b>1000hrs + 1050XP</b>
<b>Pacific Lifetime Member</b>	<b>3000hrs + 3050XP</b>

When you make your flights, you earn both flight hours and Experience points. Each flight has a maximum of 10 experience points available. Depending on how you fly, your experience points are deducted accordingly. A perfect performance score of 100% earns all 10 experience points. Flight errors, crashes etc decrease your performance score. 50% performance earns 5 XP etc.
