

Jumpseating

As a pilot within **Pacific Airways** you have the ability to change location by using our **Jump Seat** system.

To access the Jump Seat area you click on the avatar on the *top right* of the website and select **Jumpseat**.

You select the airport ICAO that you wish to jumpseat to and if you have the funds available you can then click on **Confirm Jumpseat** button.

Jumpseat is a set price that can be changed at any time by our staff without warning.
Ensure you select the correct location before submitting as this is non-refundable.
