

# Scheduled Flights

We have over **3000+** scheduled flights for our pilots to choose from, visit **Dispatch Center** and click on **Find Scheduled Flights**.

**Note:** you can only depart from your current virtual location, you can click on your current **ICAO** location to show flights departing from it.

To select a flight you click on the **Flight No.** of the route you wish to take

Search Routes

Search for scheduled flights by their ICAO or from your current location.

Departure ICAO

Arrival ICAO

View flights from your current location:

You can now fly this route via our **ACARS** software, but you can also **Dispatch via Simbrief** this will allow you to create a full flight plan through SimBrief.

Just click on the **Dispatch via Simbrief** button and fill in the appropriate information required to create a full flight plan, you do not have to visit SimBrief as you can do it via our website, but that's entirely up to you.

You will **not** be deducted any credits for cancelling a flight.
