

Tours & Events

We run regular tours & events at Pacific Airways in which our pilots can participate in.

Pilots earn awards and additional XP in participating in them.

To join an event or tour, you can visit **Events / Tours** section of the crew center.

You can choose which area you would like to visit.

In this example we are going to join an event, click on **Events** then you can choose which event to join to bring up the event details.

Fly all the destinations in order to receive the March perfect attendance award and 50 experience points. In order to count, each leg has to be dispatched from this page. Click to view the leg you intend to fly, then choose Dispatch the flight from that page. You can't just randomly fly to these destinations. In order to count toward the award, the flights must be dispatched from this page and flown in order. Just a reminder, the flights are open all month. If you don't fly Vatsim Sundays or you miss out on a Sunday flight, you can make up the flight anytime during the month. Enjoy..

Event Details

Start Date / Time (UTC)	01 Mar 2024 12:00
End Date / Time (UTC)	31 Mar 2024 12:00

(5) Interested Pilots

Ross | PAYI989
Rich | PAYI192
Norm | PAY6132

Hover your mouse over the above box and use your scroll wheel to scroll up / down.

Show Interest

Event Legs

#	Flight No.	Dep	Arr	Aircraft	Completed
1	0303	Any	PAFA	Any	View / Book
2	0310	Any	PAOM	Any	View / Book
3	0317	Any	PAHO	Any	View / Book

Within the events information you will see the following:

- Event details
- Event Legs
- Interest
- Pilots Participating
- Events Map

To participate in the event you click on the **View / Book** button and this will start the flight assignment procedure.

If the event / tour is marked with **Legs Flown in Order = Yes** then the legs must be flown in order.

If it is an event generally it will be **Fly In / Out** based on what the **Dep & Arr** shows, if they show **Any** this means anywhere.
